RESPONSE

Commissioner for Patents
Alexandria, Virginia 22313-1450

Dear Sir:

This response addresses the Office Action mailed July 14, 2004. Reconsideration of the present application is respectfully requested.

In the Office Action, Applicant's Claims 26-28 were indicated to be allowable if rewritten in independent form including all the limitations of their base claim and any intervening claims. Applicant gratefully acknowledges the indicated allowability of these claims.

In the Office Action, Applicant's Claims 21-25 and 29-40 were rejected for obviousness-type double patenting over claims of U.S. Pat. No. 6,718,258. Applicant does not agree that these claims are obvious over Applicant's prior patent. However, in the interest of expediting prosecution and allowance of the present application, Applicant

Serial No. 10/768,349
Response dated July 21, 2004
Reply to Office Action dated July 14, 2004

has included a terminal disclaimer to address the rejection, including authorization for payment of the fee associated therewith.

In the Office Action, the Examiner indicated that form PTO-1449 was missing from the information disclosure statement filed by Applicant on April 25, 2004. Accordingly, included with this response is a copy of the form PTO-1449. Applicant respectfully requests that the Examiner furnish an initialed copy of the form PTO-1449 to Applicant. The Examiner's attention to this matter is appreciated.

Applicant submits that this response addresses all the issues in the Office Action dated July 14, 2004. Therefore, the present application is in condition for allowance. If any issues remain, the Examiner is invited to call the undersigned.

Respectfully submitted,

Frank J. Kozak
